

Welcome to Four Paws Spa and Retreat!

We offer top-of-the-line boarding and grooming services. Although this is an addition to our existing veterinary clinic, Four Paws Spa and Retreat does have extended hours for your convenience, as well as a Sunday pick-up hour for boarding clients. Our facilities provide indoor and outdoor suites and an extra-large fenced in play yard.

While in our care, you can expect your pets to be treated as one of our own. To insure they get the best possible care, please fill out the Boarding Release Form from our website: arkvetclinic.com prior to dropping your pets off. For further inquiries, please call us at 620-278-3623. And check us out on Facebook too under Ark Veterinary Clinic!

Four Paws Spa & Retreat

Four Paws Spa & Retreat is an all new air conditioned and heated facility with state-of-the art boarding suites. We have 11 Standard Suites, 2 Luxury Suites, and 8 Cozy Suites, all furnished with raised beds. The Standard Suites are 5'x6' on the inside with a 5'x5' outdoor section. The Luxury Suites are 6'x10' on the inside with a 5'x15' out-door section. The Cozy Suites are 3'x4' and do not have an out-

door section. All dogs however are taken out into the large play area multiple times a day for exercise and to “do their business.”

We also have two separate grooming/spa rooms with two professional groomers to provide your furry four-legged children with the pampering that they deserve!

We require the following vaccinations for your pets to guarantee the best chance of avoiding the spread of diseases:

- Rabies
- DA2PP
- Bordetella
- Influenza (not required for grooming)

Our facility is fully licensed and inspected by the Kansas Board of Veterinary Examiners every year.
